Re: ETC Programs

As we previously advised you by email, the Ethics Board has approved, effective September 5, 2018, your Application to solicit sponsors in support of various Emerging Technology Centers ("ETC") programs. This approval is subject to the following conditions:

1. *In general.* The campaign must be conducted in accordance with the standards, terms, and conditions set forth in Board Regulation 06.26.1 and your Application.
2. *Reports.*
 - i. A Final Report (due within 30 days after all solicitations and receipt of all anticipated donations) must be filed with the Ethics Board on Ethics Form 627.
 - ii. Given the unusual length of your proposed solicitation efforts {September 2018 through June 2020}, an Interim Report will be due once every 6 months from September 30, 2018.
3. *Expiration.* This approval expires on **June 30, 2020**, the last day requested in your application. After that date, a new Application will be required for any further solicitation efforts. **NOTE: A new Application for additional solicitation efforts cannot be considered complete and cannot be approved unless all Reports then due under this approval have been completed and filed with the Ethics Board.**

If you have any questions, please do not hesitate to let us know.

Very truly yours,
